JAN LOUIE MANUEL

FRONT-END WEB DEVELOPER | TECHNICAL SUPPORT

Phone: +63 9463684127 | **Email:** janlouiemanuel24@gmail.com | **Address:** Amabelle, Valenzuela City

PROFESSIONAL SUMMARY

I'm an IT professional with hands on experience in technical support, printer troubleshooting and maintenance. I enjoy solving technical problems, learning new technologies, and creating practical solutions that make work easier. I'm looking for an opportunity where I can continue building my technical skills while contributing to the success of the company.

- **Networking & Systems:** Basic Network Troubleshooting, Operating System Installation

WORK EXPERIENCE

Front-End Web Developer (Freelance)

- Designed and developed responsive front-end websites for classmates' projects using HTML, CSS, and JavaScript.
- Delivered 3+ fully functional sites on time, ensuring clean layouts and cross browser functionality.

Technical Support (OJT)

- Assisted staff with diagnosing and resolving technology issues related to computers, printers, internet connectivity, and software applications.
- Provided general IT assistance to ensure smooth operation of office hardware and systems.
